Bargains Galore will be launching a \$500,000 expansion and renovation project. This Project RENOVATE will allow the business to keep up with the growth and to improve the retail space and working conditions.

"We're hoping to break ground soon," Melissa said. "We're not sure on the completion date because the majority of the work will be done by volunteers. There will be a new donation center, and we will be able to offer a larger selection of merchandise, shopping carts, fitting rooms, a more streamlined checkout process and improved parking."

The reach of Bargains Galore goes beyond supporting the area Christian schools, it extends into the community. The store partners with the Waupun Food Pantry to help area residents with their needs, John C. Burke Correctional Center inmates are employed at the store which gives them valuable work experience and skills, the store helps area victims of fires or other catastrophes with needed supplies, and the annual Community Day sale benefits community organizations.

"We really give God all the glory for what has happened here," Melissa said. "It was a huge leap of faith in the planning process of the store initially, but we have to remember without Him this would not be what it is. We really try to put God in the center of the store and the business. It isn't just by chance that the store has been successful."
