Relay for Life planned for June 12

Greetings Friends!

This Friday, June 12 the community comes together to fight back against cancer during the American Cancer Society Relay For Life of Waupun at the Rock River Intermediate School track. The opening ceremony begins at 6 p.m. with the event ending at midnight.

The Relay for Life features a special victory lap during the opening ceremonies. This is a truly inspiring walk where cancer survivors in our community celebrate their victory over the disease. At 9 p.m. Luminaries will be lit in memory and in honor of family and friends who have battled cancer. Along with the survivor lap will be a caregivers lap. In addition, cancer survivors have the opportunity to honor and thank their caregivers with a special purple lumina bag. There will be food, games for all ages, silent auction, and activities for the kids. Please come and join in the fellowship while we help in the fight against cancer. Thank you Rhonda Harder, Luminary/Caregiver Chairperson, American Cancer Society "Relay for Life" and

all the volunteers for your dedication.

The Drop In Summer Park Program will begin Monday, June 15. New this year is Marsh Haven Mini EARTHcamps held on Thursdays. More details and a program calendar are available in the 2015 Recreation Guide on WaupunFestival.com (click on Attractions, Parks, 2015 Parks & Recreation Guide). Copies of the guide are also available at City Hall and the Waupun Senior Center.

Discount tickets for Noah's Ark, Mount Olympus, Milwaukee Zoo and other attractions are available for purchase at the Waupun Senior Center — stop in and see Waupun Program Director Rachel Kaminski.

The week ahead will feature information on our fourth Celebrate Waupun Festival to promote the City of Waupun by opening up our community to visitors and guests and to celebrate the community we call home.

Come join the Mayor for a chat over coffee at 8 a.m., Tuesday, June 9 at McDonald's.

See you around Waupun...

Mayor Kyle

During the May meeting, members of the Achievers 4-H Club executed part of their 4-H pledge by cleaning up the flower bed, trimming tree limbs and spreading bark at the Chester Town Hall, and picking up trash at the Atwater Cemetery. Giving back to their community teaches youth of all the ages the importance of citizenship, the value of helping others and a sense of responsibility for their environment.
